January is...

- National Braille Literacy Month
- National Hobby Month
- National Soup Month
- Hot Tea Month
- National Blood Donor Month

It's a new year ...try something new!!

We have a wide varied of programs for everyone in the family! Why not try something new this year. The little ones can come to Toddler Time (10 months-2 years), Storytime (3 years-5 years) and learn new things each week! For kids on the Autism spectrum or that have sensory issues, give our monthly Sensory Storytime a try! School kids have several options too. There is Novel Ninjas (K-3rd grade) and STEAM (4th-6th grade) to try new crafts and activities each week. We also have a Chess Club (4th-8th grade) . Never played chess before? Players of all levels are welcome! You can also give Dungeons & Dragons (6th-12th grade) a try! And Teens can try out new skills at Teen Time (7th-12th grade)! But it's not all just for kids! Families can try out some new games together at Family Game Night! And homeschool families can come together at homeschool happenings and learn something new together! We also have programs for adults!! We have a weekly walking club, a weekly Euchre group, and be on the look out for one of our awesome adult cooking or craft programs! There is so much to give a try and best of all...they are all FREE!!
