## Summer Reading Success!

Summer Reading was a great success this year! We had a lot of kids sign up for our program this year. They were able to participate in some great programs. Since our theme this year was All Together Now and it was all about friendship, kindness, and community we had many projects for the community to enjoy together! We made the Children's entrance beautiful and fun with our sidewalk murals. We grew fresh food for the community to enjoy in our community garden. We created a community pantry so our neighbors can help one another. We made kindness cards for residents at the nursing home. And we made several collaborative pieces of art that will be on display at the Library very soon!! And we had many, many more great programs that they enjoyed! Not only were they participating in programs to help our community, they were reading! We had several kids meet and even exceed their reading goals!! We collectively read almost 40,000 minutes this summer!!! And we can't forget the prizes!! While several kids won some great prizes throughout the summer, the big prize winners were our basket winners! they were: James Powell V, Korbin Muhs, Nora Riggs, & Kailee Prater! Congratulations to all our winners and to everyone who participated in this year's Summer Reading Program!!!
